Co Leadership Groups: Action Planning Session 3

Relationships that Connect, Building our Communities

Session Objectives

1. To communicate and improve your action plan with two other Groups
2. To plan the pre-, during and post-event tasks for the 3rd December MAEB Attendance alliance event

Relationships that Connect, Building our Communities

Session Plan

3-3.10pm	Brief recap and purpose of today	Amanda
3.10pm-4pm	Carousel Please spend 20 minutes in total with two other Groups with a view to practicing how to communicate your action plan succinctly; and then helping improve each other's plan, spotting connections where you see them.	Please visit 2 different groups in the time available. 1: Health & attendance 2: Targeted response 3: Parental communication, engagement & lived experience 4: Creativity, joy & cultural participation 5: Mentoring, coaching & peer support 6: Relational working
4-4.30pm	3rd December event planning • What do you wish to showcase? • How will you communicate and share your action plan? • What's your call to action so people can get involved in 2026? • When will your next Co Leadership 'event' or online gathering happen Jan-March 2026	Pre event tasks During event tasks Post event tasks

3rd December event: some details

It's in person again 😊

From 2pm-4.30pm

Inspire to Learn (contingency of Civic Centre if c100 delegates)

When do we start registration?

Resources can be loaded on the MAEB Project website as soon as you say your action plan is drafted and ready to share – we can pre-circulate these to the Attendance Alliance / delegates before the day too if it would help!

Thoughts ...

- Do we want / need a guest speaker?
- We want to formally launch the Attendance Positive Framework for Action and raise awareness of new helpful resources e.g. the Attendance Handbook, the Team Around Models & case studies
- We need to ensure each action plan is available & showcased but how to do this effectively with the time available?
- Do we offer break out space; delegates attend 2 of their choice?
- Lots to cover but don't want too many speakers?
- How do we ensure people in the audience know how to get involved with your action plan?
- We might want to use Mentimeter – perhaps update the MAEB baseline survey in a more interactive way?
